Annapolis City Code Chapter 17.28 provide for the establishment of Capital Facilities Assessment Charges at the time the building permit is issued. The Capital Facilities Assessment (CFA) is payable in 30 annual installments and used exclusively to pay for capital improvements to the water and wastewater systems. The entire unpaid assessment balance will become due and payable if any annual installment is not paid within 90 days of the original billing date. Unpaid capital facilities assessments and accrued interest constitute a lien on the property.

The City of Annapolis Capital Facilities Assessment is separate and distinct from developer capital facilities assessments and from quarterly utility bills.

If applicable, the property owner is responsible for notifying his/her mortgage company.

Name and address change requests must be submitted separately and signed by property owner.

UNPAID CFA AND ACCRUED INTEREST CONSTITUTE A LIEN ON THE PROPERTY. THE ENTIRE UNPAID ASSESSMENT IS SUBJECT TO COLLECTION IF ANY ANNUAL INSTALLMENT IS NOT PAID BY JUNE 30TH. AN INTEREST CHARGE AT THE RATE OF 1.5% WILL BE ASSESSED MONTHLY ON ANY UNPAID ASSESSMENT.
